- Select "No" if you are registering it first time.
- Enter all Contact and Organisation/Company information
- Organisation Category: Non-Government
- Enter PAN number
- Select KYC Document from list whichever available with you
- Enter Number of select KYC document
- You need to upload soft copy of selected KYC document
- You need to upload soft copy of your PAN card
- Enter valid Email ID
- Enter valid Mobile number
- You need to enter password which will use for login

Important:

- Note down email and password which you entered, This will use for further login.
- You will also receive OTP on your given mobile number.
- Organisation name must be similar to your sender id which you want to approve. Then only JIO will approve your registration.
  Example: If my organisation name is "TechQuadra Software Solutions" then I will only apply for sender id which matches to it.
  Like TECHQU, TECQUD, TECSOFT etc.
  If I registered with this name and expecting different sender id then that will not approve.

Things to do after filling this form

- You will receive email/sms on your email/mobile number for successful registration.
- You need to wait for 24-48 hrs to get reply from JIO
- You will either receive Approval / Rejection message
- You need to inform us once you receive reply
- Once approved, we have to apply for sender ID approval. It will take again 24-48 hrs time.
- Your SMS will start once sender ID approval.
